

Laminates & Non-Textile Flooring for Aircraft Interiors

AerFilm LHR and AerMat 9000

Interturbine Logistik GmbH is your ONE STOP SOURCE for the Schneller products AerFilm and AerMat.

Schneller's **AerFilm LHR** is the original low heat release, low-smoke and low-toxic gas, thin-film decorative laminate. Engineered to cover both flat and three-dimensional panels, AerFilm LHR is lightweight and economical, while providing superior texture retention and stain resistance.

The product is available in heat activated or pressure sensitive adhesive to provide the customers with the ultimate flexibility managing the repair or 3 dimensional forming needs.

Interturbine Logistik stocks the most common **Airbus** Cool colours: Fog Grey, Grey Cloud, Cockpit Blue, Pepperdust, Cool Mezzo, HighTech, or Square Grey designs in medium texture and **ATR** decors NCS500 with Veiltex texture.

**AerMat 9000** from Schneller is a flexible, durable utility floor covering that is easy to install, clean and maintain.

Interturbine Logistik stocks the classic Blue 8541 and Grey 992.

**Quick Ship Program**

In an effort to better serve the commercial aviation customers, Schneller has set up a Quick Ship Program. **Interturbine Logistik GmbH is the official Quick Ship Partner** for expedited delivery in small minimum order quantities of these standard Airbus and ATR laminates and flooring products.

For more information about the Quick Ship Products and the Program please visit the Schneller Web Site: [http://www.schneller.com/quickship\\_airbus.asp](http://www.schneller.com/quickship_airbus.asp)

**Value Added Services**

In addition Interturbine Logistik GmbH also offers pre-cut sizes and seamed mats upon request.

For an overview of the product range please see pages 2 and 3.

**Please contact your customer service representative for more information.**
