

## Innovative Sealants for the Aerospace Industry

### PR Sealants

In an aircraft innovative sealing solutions are of utmost importance. The demands of the aerospace industry vary according to the type and performance of an aircraft.

Interturbine Logistik GmbH is your ONE STOP SOURCE for the whole range of high-quality pressure-sensitive **PR sealants** that meet the stringent demands of the aerospace industry.

The PR sealants Interturbine offers and stocks include:

- Integral fuel tank sealants
- Pressurised cabin sealants
- Door access sealants
- Floorboard sealants
- Electrically conductive sealants
- Corrosion inhibitive sealants
- Sealants for windshield installation

Interturbine Logistik can also deliver these PR sealants in small order quantities and due to an excellent stock availability offers short and reliable lead times.
