

## Press Release

Following the successful worldwide distribution of a defined range of Airbus seat tracks by Interturbine Aviation Logistics GmbH, material management processes have now been streamlined through a recent initiative undertaken by Airbus. As of January 1st, 2012 Airbus Material, Logistics and Suppliers will therewith be the prime point of contact for the complete range of all seat tracks produced by Airbus (cage code FAPE3).

Interturbine Aviation Logistics GmbH will continue distribution of remaining supplies of seat tracks for immediate requirements via their global distribution network until stocks are fully depleted.

Customers placing orders with Interturbine will continue to benefit from:

- Reduced pricing over current Airbus spare parts price catalogue
- Sourcing of seat track parts through Interturbine Aviation Logistics GmbH with genuine AOG support – 24 hours a day – 7 days a week – 365 days a year
- Procurement through Interturbine Aviation Logistics GmbH worldwide distribution network
- Supply of all parts with authorised release certificates (i.e. Airbus EASA Form 1)

**Additionally Interturbine Aviation Logistics GmbH offers the supply of semi-finished seat tracks including standard hardware, seat track covers and peripheral materials.**
